B. The Owners within the Spanish Trail Subdivision Community desire to amend and restate the Original Declaration by virtue of this Amended and Restated Declaration of Covenants, Conditions and Restrictions for Spanish Trail Subdivision ("Declaration"), and intend, upon the recording of this Declaration, that all prior recorded declarations, amendments, and supplements thereto shall be superseded and replaced by this Declaration;

C. The Original Declaration provides for and allows for this Declaration in Section 9.3, which provides as follows:

This Declaration shall only be amended by vote or agreement of Owners of Lots to which at least seventy percent (70%) of the votes in the Association are allocated;

D. Pursuant to the Colorado Common Interest Ownership Act, C.R.S. §38-33.3-217(1)(a), the required approval of 70% of the votes in the Association for amendment is now void.

F. All Owners are aware of the provisions of the Original Declaration allowing for amendment, by virtue of the record notice of the Original Declaration, by acts and disclosures, newsletters or notices of the Association, and by other means;

G. The amendments within this Declaration have been prepared and determined by the Association and by the Owners that have approved this Declaration to be reasonable and not burdensome;

H. I. The purpose of the Association as provided in the Declaration is to preserve the value and desirability of the Community and the Lots and to further the interests of the residents of the Community and Members of the Association; and

Section 3.7 Right to Notice.

Notice of matters affecting the Community, via any means of communication, may be provided to Owners and any occupants as determined by the Board of Directors in its sole discretion.

The Association may, but shall not be required to, from time to time, provide measures or take actions which directly or indirectly improve security in the Community; however, each Owner, and their tenants, guests, licensees and invitees, acknowledges and agrees that the Association is not a provider of security and shall have no duty to provide security in the Community. Furthermore, the Association does not guarantee that non-residents will not gain access to the Community and commit criminal acts in the Community, nor does the Association guarantee that criminal acts in the Community will not be committed by residents. It shall be the responsibility of each Owner to protect their person and property and all responsibility to provide such security shall lie solely with each Owner. The Association shall not be held liable for any loss or damage by reason of failure to provide security or the ineffectiveness of measures taken.

Appropriate educational topics include dispute or conflict resolution, issues involving the Governing Documents, and education or topics benefitting or contributing to operation or governance of the Community and the rights and responsibilities of Owners and the Association. The Association may also fund and support education and training for officers and directors.

ARTICLE 4 ASSESSMENTS

Section 4.1 Creation of Association Lien and Personal Obligation to Pay Assessments.

Each Owner, by acceptance of a deed for a Lot, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association annual Assessments for Common Expenses, insurance Assessments, and such other Assessments as imposed by the Association.

The Association annual Common Expense Assessments and such other Assessments as imposed by the Association, including fees, charges, late fees, attorney fees, fines and interest charged by the Association, and additional fees charged by the managing agent, including but not limited to, administration and witness fees, and/or any other charges that may be assessed and/or levied or may be agreed to in the process of collecting past due Assessments, including but not limited to, credit card convenience fees from whatever source, shall be a charge on each Lot and shall be a continuing lien upon the Lot against which each such Assessment or charge is made.

If any Assessment is payable in installments, the full amount of the Assessment is a lien from the time the first installment becomes due. The personal obligation to pay any past due sums due the Association shall not pass to a successor in title unless expressly assumed by them.

No Owner may become exempt from liability for payment of the Assessments for Common Expenses by waiver of the use or enjoyment of the Common Area or by abandonment of the Lot against which the Assessments for Common Expenses are made. All Assessments shall be payable in the amounts specified in the levy thereof, and no offsets or reduction thereof, except as provided in this Declaration, shall be permitted by any reason including, without limitation, any claim that the Association or the Board of Directors is not properly exercising its duties and powers under this Declaration.

Except as provided in this Declaration, all Assessments for Common Expenses shall be assessed against all Lots equally.

Section 4.2 Basis of Assessments.

Common Expense Assessments may be made on an annual basis against all Lots and shall be based upon the Association's advance budget of the cash requirements needed by it to provide for the administration and performance of its duties during such Assessment year including reserves.

Section 4.3 Annual Assessment.

The budget for annual Assessments shall be submitted to the Owners for ratification pursuant to Section 303(4) of the Act and as set forth in the Bylaws, as the Bylaws may be amended from time to time. The budget may be vetoed by a majority of the total Association vote. Assessments for Common Expenses shall be due and payable in monthly, quarterly, or annual installments, or in any other manner, as determined by the Board of Directors. The omission or failure of the Board of Directors to levy the Assessment for any period shall not be deemed a waiver, modification or a release of the Owners from their obligation to pay.

Section 4.4 Special Assessments.

In addition to other authorized Assessments, the Association may levy Special Assessments from time to time to cover previously unbudgeted expenses or expenses in excess of those budgeted, including, without limitation, the costs of any construction, restoration, or unbudgeted repairs or replacements of capital improvements that are not covered by the general reserve fund. The proposed Special Assessment shall be submitted to the Owners for ratification pursuant to Section 303(4) of the Act and as set forth in the Bylaws, as the Bylaws may be amended from time to time. The proposed Special Assessment may be vetoed by a majority of the total Association vote. Special Assessments may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved. The Board shall have the right to require that Special Assessments be paid in advance of the provision of the subject services or materials.

Section 4.5 Supplemental Assessments.

The Association shall have the right to add to any Owner's Assessment as provided in this Article the following:

(a) Those amounts expended by the Association for the benefit of any individual Lot or any occupant thereof, including but not limited to: improvement, repair, replacement or maintenance specific to a Lot;

(b) Improvement, repair, replacement or maintenance caused by the negligent or willful acts of any Owner, their guest, employee, licensee, lessee or invitee as set forth in this Declaration;

(c) All fines and costs assessed against an Owner pursuant to the Governing Documents; and

(d) Any other expenditures or charges which the Board, in its sole discretion, chooses to allocate to a Lot and are reasonably determined to be allocable to a particular Lot.

Section 4.6 Application of Payments.

All payments received on an account of any Owner or the Owner's Lot shall be applied first to the payment of any delinquent Assessments, then to all legal fees and costs (including attorney fees), expenses of enforcement and collection, late fees, returned check fees, lien fees and other costs owing or incurred with respect to such Owner pursuant to the Governing Documents.

Section 4.7 Effect of Non-Payment of Assessments.

(a) Any Assessment, charge or fee provided for in this Declaration, or any monthly or other installment thereof, which is not fully paid within 30 days after the due date thereof, as established by the Board of Directors, shall bear interest at the rate established by the Board of Directors which may not exceed 8% compounded per annum or such higher amount allowed by law, to accrue monthly from the due date. The Association may also assess a reasonable late fee thereon as determined by the Board of Directors.

(b) Failure to make payment within 90 days of the due date thereof shall cause the total amount of such Owner's Common Expense Assessment for the remainder of that fiscal year to become immediately due and payable at the option of the Board. The Board may, in its discretion, decelerate the Member's annual Assessment.

(c) Further, the Association may bring an action at law or in equity, or both, against any Owner personally obligated to pay such overdue Assessments, charges or fees, or monthly or other installments thereof, and may also proceed to foreclose its lien against such Owner's Lot. An action at law or in equity by the Association against an Owner to recover a money judgment for unpaid Assessments, charges or fees, or monthly or other installments thereof, may be commenced and pursued by the Association without foreclosing, or in any way waiving the Association's lien therefor.

(d) Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to estop or otherwise preclude the Association from thereafter again foreclosing or attempting to foreclose its lien for any subsequent Assessment, charges or fees, or monthly or other installments thereof, which are not fully paid when due. The Association shall have the power and right to bid on or purchase any Lot at foreclosure or other legal sale, and to acquire and hold, lease, mortgage, convey or otherwise deal with the same. If a foreclosure action is filed to foreclose any Assessment lien, and an Owner abandons or leaves vacant their Lot, the Board may take possession and rent said Lot or apply for the appointment of a receiver for the Lot without prior notice to the Owner. The rights of the Association shall be expressly subordinate to the rights of any holder of a first lien security interest as set forth in its deed of trust or mortgage (including any assignment of rents), to the extent permitted under the Act.

Section 4.8 Lien Priority.

The lien of the Association under this Section is prior to all other liens and encumbrances on a Lot except: (1) liens and encumbrances recorded before the recordation of the Declaration; (2) a first lien security interest on the Lot (except as allowed by the Act with regard to the limited lien priority allowed to the Association); and (3) liens for real estate taxes and other governmental assessments or charges against the Lot. This Section does not affect the priority of mechanics' or materialmen's liens. The lien of the Association under this Article is not subject to the provision of any homestead exemption as allowed under state or federal law. Sale or transfer of any Lot shall not affect the lien for said Assessments or charges except that sale or transfer of any Lot pursuant to foreclosure of any first lien security interest, or any proceeding in lieu thereof, including deed in lieu of foreclosure, or cancellation or forfeiture shall only extinguish the lien of Assessment charges as provided by applicable state law. No such sale, transfer, foreclosure, or any proceeding in lieu thereof, including deed in lieu of foreclosure, nor cancellation or forfeiture shall relieve any Lot from continuing liability for any Assessment charges thereafter becoming due, nor from the lien thereof.

Section 4.9 Borrowing.

The Association shall have the power to assign its right to future income, including the right to assign its right to receive Assessments for Common Expenses, without Owner approval.

ARTICLE 5 RESTRICTIONS

Section 5.1 Flexible Application of the Subsequent Covenants and Restrictions.

All Lots within the Community shall be held, used and enjoyed subject to the following limitations and restrictions. The strict application of the following limitations and restrictions in any specific case may be modified or waived, in whole or in part, by the Board of Directors or by an appropriate committee (subject to review by the Board of Directors) if such strict application would be unreasonable or unduly harsh under the circumstances. Any such modification or waiver must be in writing.

Section 5.2 Authority.

All provisions of the Governing Documents shall apply to Owners and their guests, tenants, invitees and licensees. Owners and their successors and assigns, by acceptance of a deed to their Lot, acknowledge that they have been given notice, and that:

- (a) The ability of Owners to use their Lots may be limited by the provisions in the Governing Documents.
- (b) The Board may, from time to time, adopt and amend definitions of words, phrases and terms used in this Declaration and other Governing Documents.
- (c) The Board may establish penalties for the infraction of all regulations and Owners will be responsible for fines assessed against their tenants, guests and invitees for violations of the restrictions.
- (d) All fines imposed are collectable as Assessments.

Section 5.3 Use/Occupancy.

All Lots within the Community shall be used only for those uses and/or purposes as allowed by this Declaration, subject to any Rules and Regulations adopted by the Association. Lots shall not be used for any purpose other than a residential dwelling except as set forth in this Section.

All landscaping on Lots shall be maintained by the Owners.

All landscaping and vegetation in the Community shall be maintained by the responsible party in a good, neat, attractive, properly cultivated, and well-kept condition, whether xeriscaped or with turf, which shall include lawns mowed, hedges, shrubs, and trees pruned and trimmed, and removal of weeds and debris.

It shall be the duty and obligation of each Owner to landscape the front yard of their Lot upon completion of the Residence on the Lot, and the backyard of the Lot within 180 days from the issuance of a Certificate of Occupancy.

All grading, landscaping, and planting performed or conducted by the Owner shall be first approved by the Architectural Review Committee pursuant to this Declaration, and once installed in accordance with the approval of the Architectural Review shall not be changed from its appearance without Architectural Review Committee approval.

The third bay of any three-car garage shall be offset at least two feet from the other garage bays.

Section 5.7 Acquisition of Multiple Lots.

No Owner who owns or controls eight or more Lots in the Community, directly or indirectly through an affiliate of the Owner, shall acquire, whether directly or indirectly through an affiliate of the Owner, any interest in any additional Lot in the Community, whether through purchase, trade, gift, inheritance, lease, merger, consolidation or other means of acquisition. Notwithstanding anything in this Declaration to the contrary, this restriction on acquisition of Lots shall not apply to a mortgagee acquiring title to a Lot subject to a mortgage by foreclosure or deed in lieu of foreclosure. This restriction shall be enforceable by the Association or any Owner by means of an action for injunction to restrain any future acquisition or to require an Owner who has violated this restriction to divest any interest so acquired.

Section 5.8 Restrictions on Pets.

No resident shall maintain or keep any Pet which, in the sole discretion of the Board, is considered to be a danger to the Owners, management staff or occupants in the Community or is otherwise considered to be a dangerous breed, as may be further defined in the Rules and Regulations. If a Pet is deemed a nuisance by the Association, the resident having control of the Pet shall be given a written notice to correct the problem and if not corrected, that resident will be required to remove the Pet from the Community pursuant to, and in accordance with, any dispute resolution procedures as may be set forth in this Declaration or the Rules and Regulations, if any. Pets may not be kept for any commercial purposes. Animals are not permitted in the recreational areas. When on other Common Area, Pets must be on a leash and under control. Feces left by Pets upon the Common Area must be removed promptly by the owner of the Pet or the person responsible for the Pet. - (c) an antenna which is designed to receive or broadcast television signals; or
- (d) other antennas which are expressly permitted under applicable federal statutes or regulations.

In the event a Permitted Antenna is no longer expressly permitted under applicable federal statutes or regulations, such antenna will no longer be a Permitted Antenna for purposes of this Section.

Permitted Antennas shall be installed in the least conspicuous location available on a Lot which permits acceptable signals, without unreasonable delay or increase in the cost of installation, maintenance or use of the Permitted Antenna. The Association may adopt rules regarding location and installation of Permitted Antennas, subject to limitations of applicable federal law. Except as allowed by federal statutes and regulation, no exterior television or any other antennae, microwave dish, satellite dish, satellite antenna, satellite earth station, or similar device of any type shall be erected, installed, or maintained on a Lot.

Section 5.12 Nuisances.

No nuisance shall be permitted within the Community, nor any use, activity or practice which is the source of unreasonable annoyance or embarrassment to, or which unreasonably offends or disturbs, any Owner or which may unreasonably interfere with the peaceful enjoyment or possession or the proper use of a Lot or any Common Area, or any portion of the Community by residents. Nuisance shall be further defined in the Rules and Regulations.

Section 5.13 Vehicular Parking, Storage, and Repairs.

(a) Parking upon any Common Area shall be regulated by the Association.

(b) The following may not be parked or stored within the Community, unless such parking or storage is within a garage on a Lot, or authorized in writing by the Association: oversized vehicles, commercial vehicles, trailers, camping trailers, boat trailers, hauling trailers, boats or accessories thereto, self-contained motorized recreational vehicles, or other oversized types of vehicles or equipment as prohibited by rule or regulation. The foregoing may be parked as a temporary expedience for loading, delivery of goods or services, or emergency; provided, however, overnight parking of the same is prohibited. This restriction shall not apply to trucks or other commercial vehicles temporarily located within the Community which are necessary for construction or for the maintenance of any Common Area, Lots, or any improvement located thereon. Any vehicle having the above characteristics parked on a Lot shall be screened from view. The Association may license to an Owner space in the RV Lot to park and store vehicles described above.

(e) No activity such as, but not limited to, maintenance, repair, rebuilding, dismantling, repainting, or servicing of any kind of vehicle, trailer, or boat, may be performed or conducted outside of garages for more than 24 consecutive hours. This provision shall not be deemed to prevent washing and polishing of a vehicle, together with those activities normally incident and necessary to such washing and polishing, provided washing is done with a hose with a shut off valve to prevent waste of water. Minor repairs may be performed, provided they may be completed the day commenced, there is no damage (e.g., oil, residue) to paved areas, and all equipment and parts are removed upon completion of the work. No vehicles may be left unattended on jacks or jack stands.

(f) Parking in fire lanes (as designated by the Association or as designated by local government or a local fire protection authority) shall be prohibited.

(g) If any vehicle is parked on any portion of the Common Elements in violation of this Section or in violation of the Association's Rules and Regulations, the Board may place a notice on the vehicle specifying the nature of the violation and stating that after 72 hours the vehicle may be towed or booted. The notice shall include the name and telephone number of a person to contact regarding the alleged violation. A notice also shall be conspicuously placed at the Community stating the name and telephone number of the person or entity which will do the towing and/or booting hereunder. If 72 hours after such notice is placed on the vehicle the violation continues or thereafter occurs again within six months of such notice, the vehicle may be towed or booted in accordance with the notice, without further notice to the vehicle owner or user, and the owner thereof shall be solely responsible for all towing and storage charges.

(h) If a vehicle is parked in a fire lane, is blocking another vehicle or access to another Owner's or occupant's Lot, is obstructing the flow of traffic, is parked on any grassy area, or otherwise creates a hazardous condition, no notice shall be required and the vehicle may be towed or booted immediately.

(i) If a vehicle is towed or booted in accordance with this subparagraph, neither the Association nor any officer or agent of the Association shall be liable to any person for towing and storage costs or for any claim of damage as a result of the towing or booting activity. The Association's right to tow or boot is in addition to, and not in limitation of all other rights of the Association, including the right to assess fines. Notwithstanding anything to the contrary in this Section, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow or boot.

Section 5.14 Use of Common Area.

There shall be no obstruction of any Common Area, nor shall anything be kept or stored on any part of any Common Area without the prior written approval of the Association. Nothing shall be altered on, constructed in, or removed from any Common Area without the prior written approval of the Association. The Owners shall not cause or permit any damage, deterioration, or the accumulation of trash and debris upon the Common Area.

Section 5.15 No Annoying Lights, Sounds, or Odors.

No light shall be emitted from any portion of the Community which is unreasonably bright or causes unreasonable glare, and no sound or odor shall be emitted from any portion of the Community which would reasonably be found by others to be noxious or offensive as further defined in the Rules and Regulations. Without limiting the generality of the foregoing, no exterior spot lights, searchlights, speakers, horns, whistles, bells or other light or sound devices shall be located or used on any portion of the Community except with the prior written approval of the Association. Motion activated lights used for security purposes shall not be deemed unreasonable and are specifically permitted.

Section 5.17 Restrictions on Clotheslines and Storage.

Except for retractable clotheslines which comply with reasonable aesthetic regulations adopted by the Board and except as otherwise permitted by Colorado law, no clotheslines, drying areas or yards, service yards, shops, equipment, storage or storage areas shall be installed, allowed, kept, maintained or permitted on any Lot unless the same, in each instance, is expressly permitted in writing by the Association. Owners shall deem to hold the Association harmless from any claim resulting from any clotheslines, drying areas or yards, service yards, shops, equipment, storage or storage areas maintained on their Lot. Clotheslines shall be installed in such a manner so as to not be visible from the street and sidewalks.

Section 5.18 Restriction on Signs and Advertising Devices.

Section 5.19 Outbuildings and Temporary Structures.

An "outbuilding" shall mean an enclosed or covered structure not directly attached to the dwelling it serves. With the exception of the RV Lot, no outbuilding or temporary structure, including trailers, permanent tents, mobile homes, shacks, barns, detached garages or carports, or other recreational outbuildings shall be allowed on any Lot unless approved in writing by the Board of Directors or the Architectural Review Committee. Any approved outbuildings must be hidden from public view, as determined in the sole discretion of the Board of Directors.

No garbage cans, trash cans or receptacles shall be maintained in an exposed or unsightly manner.

All containers shall be kept within garages or enclosed backyards so as to not be visible from neighboring property, except to make the same available for collection during regular trash collection days, and then only for a period from 5:00p.m. the day before collection and removed by 5:00p.m. the day after the collection day.

If trash removal is a service ever offered by the Association to Owners, then the Association shall have the exclusive right to engage a trash removal contractor on behalf of the Owners.

Section 5.21 Accessory Dwelling Unit.

If permitted by Colorado law, one Accessory Dwelling Unit ("ADU") may be constructed on a Lot upon approval by the ARC. Such dwelling must be capable of independent living with a kitchen, bathroom and bedroom. Any ADU constructed shall be subject to an additional assessment from the Association.

Section 5.22 Prohibition of Marijuana Distribution and Growing.

No Owner or occupant of a Lot may utilize such Lot for the purpose of growing or distributing marijuana or medical marijuana. This prohibition may further be clarified by the Board of Directors through Rules and Regulations. Owners will be responsible for any damage resulting from a violation of this restriction, including but not limited to increased water and utility charges.

Section 5.23 Prohibited Activities.

No Owner or occupant of a Lot may engage in hoarding, creating conditions conducive to indoor fires, allowing Lots to fall into a state of disrepair to the point that rodents or other pests enter, or any other conditions which could cause damage or harm to other Lots in the Community.

Section 5.24 Rules and Regulations.

In furtherance of the provisions of this Declaration, and the general plan, Rules and Regulations concerning and governing the Community or any portion thereof may be adopted, amended, or repealed from time to time by the Board of Directors. The Board of Directors may establish and enforce penalties for the infraction thereof.

Section 5.28 Street Lighting.

The Community is subject to the terms and provisions of an unconditional restrictive covenant which provides in substance that present and subsequent Owners of Property in the area proposed to be served are subject to and bound by present and future Public Service Company of Colorado tariffs applicable to street lighting service filed with the Public Utilities Commission of the State of Colorado.

(b) Owners shall immediately comply with any request by the Association for additional information relating to an improvement prior to the Committee's approval of a request and/or prior to the completion of an improvement. Failure to comply with such a request by an Owner shall result in the withdrawal of Committee approval, if previously granted;

(c) Committee approval does not constitute approval of the local building or zoning department, drainage design or structural soundness; which will be solely the Owner's obligation to obtain and the Association shall not have liability therefore;

(d) Owners, by submitting an application for approval, hereby certify:
(i) they will construct or modify improvements located only on their own Lot or upon Property which they have permission to construct, modify or improve; and

(f) Upon completion of an improvement, Owners authorize the Committee or its representative(s) to enter onto the Lot for exterior inspection;

(g) Failure of an Owner to notify the Committee of completion of an approved improvement, or refusal to allow inspection, shall result in the withdrawal of the Committee's approval;

(h) If the improvement as built does not conform to the improvement as approved by the Committee, the Committee's approval will be deemed withdrawn, and upon written request of the Committee, Owners shall, at their own expense and cost, promptly bring the improvement into compliance with the submitted and approved plans and specifications;

(i) In the event of withdrawal of Committee approval for any reason(s) cited in this Section, and upon written request from the Committee, the Owner, at their expense and cost, shall promptly restore the Lot to substantially the same condition as it existed prior to commencement of the improvement's installation or construction, and such withdrawal will be deemed to toll the statute of limitations as it pertains to the improvement until such time as the improvement is brought into compliance.

Section 6.3 Architectural Criteria.

The Committee shall exercise its reasonable judgment to the end that all attachments, improvements, construction, landscaping and alterations to improvements on a Lot or landscaping of a Lot shall comply with the requirements set forth in this Declaration. The approval or consent of the Committee on matters properly coming before it shall not be unreasonably withheld, and actions taken shall not be arbitrary or capricious. Approval shall be based upon, but not limited to, conformity and harmony of exterior appearance of structures with neighboring structures, preservation of aesthetic beauty and conformity with the specifications and purposes generally set out in this Declaration. Section 6.7 Reply and Communication.

The Committee shall reply to all submittals of plans made in accordance herewith in writing within 30 days after receipt. In the event the Committee fails to take any action on submitted plans and specifications within 30 days after the Committee has received the plans and specifications, approval shall be deemed to be approved; provided, however, nothing in this Section shall authorize anyone to construct or maintain any structure or improvement that is otherwise in violation of this Declaration, the Rules and Regulations or any architectural guidelines adopted by the Board. All communications and submittals shall be addressed to the Committee in care of the Association.

Section 6.8 Commencement and Completion of Construction.

If the Board of Directors is not acting as the Committee, an Owner whose plans have been disapproved or conditionally approved may appeal any decision of the Committee to the Board of Directors. The Board of Directors shall review the decision of the Committee pursuant to the criteria set forth in this Article and/or the architectural guidelines. Any decision of the Committee may be overruled and reversed on appeal by a majority of the directors by a written decision setting forth the reasons for the reversal when the directors conclude that the Committee's decision was inconsistent with the criteria set forth in this Article and the guidelines.

Section 6.11 Waivers.

The approval or consent of the Committee, or appointed representative thereof, to any application for architectural approval shall not be deemed to constitute a waiver of any right to hold or deny approval or consent by the Committee as to any application or other matters subsequently or additionally submitted for approval or consent.

Section 6.12 Liability.

The Committee and the members thereof, as well as any representative of the Board designated to act on its behalf, shall not be liable in damages to any person submitting requests for approval or for any approval, or failure to approve or disapprove in regard to any matter within its jurisdiction under these covenants. Neither the Board nor the Committee shall bear any responsibility for ensuring the design, quality, structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes, zoning regulations and other governmental requirements. Enforcement of these covenants, restrictions, charges and other provisions, as amended, may be by any proceeding at law or in equity against any person or persons violating or attempting to violate any such provision. The Association shall have the right, but not the obligation, to institute, maintain and prosecute any such proceedings. In any action instituted or maintained under this Section, the Association may be entitled to recover its costs and reasonable attorney fees incurred pursuant thereto, as well as any and all other sums awarded by the court. Failure of the Association to enforce any covenant or restriction contained in this Section shall in no event be deemed a waiver of the right to do so thereafter. In addition, or in the alternative, the Association shall have all other enforcement rights as set forth in this Declaration.

ARTICLE 7 INSURANCE/CONDEMNATION

Section 7.1 Insurance on the Lots.

Section 7.16 Insurance Assessments.

If the proceeds of insurance are not sufficient to defray the costs of reconstruction and repair due to deductibles allocated to the Association or failure of the Association to maintain coverage to defray costs of repair and reconstruction which in the absence of insurance would be the maintenance responsibility of the Association, the deductible or additional cost shall be a Common Expense. Notwithstanding the budget ratification procedure set forth in this Declaration, the insurance Assessment shall be ratified unless vetoed by Members holding at least 90% of the total votes entitled to be cast in the Association pursuant to Section 303(4) of the Act and as set forth in the Bylaws, as the Bylaws may be amended from time to time. Notwithstanding the Special Assessment procedure set forth this Declaration, the insurance Assessment shall be ratified unless vetoed by Members holding at least 90% of the total votes entitled to be cast in the Association pursuant to Section 303(4) of the Act and as set forth in the Bylaws, as the Bylaws may be amended from time to time.

Section 7.17 Damage to or Destruction on Lots.

In the event of damage to or destruction of structures or improvements on a Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure and improvements in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration, unless a determination not to rebuild is made by the Owner in cases of substantial damage or destruction. If the structure is substantially destroyed and a determination is made not to rebuild or to reconstruct, the Owner shall clear the Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction, and, thereafter, the Owner shall continue to maintain the Lot in a neat and attractive condition consistent with this Declaration.

ARTICLE 8 GENERAL PROVISIONS

Section 8.1 Compliance and Enforcement.

(a) Every Owner and occupant of a Lot shall comply with the Governing Documents, and each Owner shall have the right to enforce the covenants and restrictions, as set forth in this Declaration.

(b) The Association may enforce all applicable provisions of this Declaration, and may impose sanctions for violation of the Governing Documents. Such sanctions may include, without limitation:

(i) imposing reasonable monetary fines, after notice and opportunity for a hearing, which fine shall constitute a lien upon the violator's Lot;

(ii) suspending the right to vote and the right to use Common Area;

(iii) exercising self-help (including, but not limited to, performing such maintenance responsibilities which are the Owner's responsibility under this Declaration and assessing all costs incurred by the Association against the Lot and the Owner as an Assessment) or taking action to abate any violation of the Governing Documents;

(iv) requiring an Owner, at the Owner's expense, to remove any structure or improvement on such Owner's Lot in violation of the Governing Documents and to restore the Lot to its previous condition and, upon failure of the Owner to do so, the Board or its designee shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as previously existed, at the Owner's expense, and any such action shall not be deemed a trespass, with all fees and costs in connection with such removal and restoration to be assessed to the Owner as an Assessment under the terms of this Declaration;

(v) without liability to any person, the Association precluding any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Declaration from continuing or performing any further activities in the Community;

(vi) levying specific Assessments to cover costs incurred by the Association to bring a Lot into compliance with the Governing Documents; and

(vii) bringing suit at law or in equity to enjoin any violation or to recover monetary damages or both.

(c) In addition to any other enforcement rights, if an Owner fails to properly perform their maintenance responsibility, or otherwise fails to comply with the Governing Documents, the Association may record a notice of violation against the Owner and the Lot.

(d) All remedies set forth in the Governing Documents shall be cumulative of any remedies available at law or in equity. In any action to enforce the Governing Documents, the prevailing party shall be entitled to recover all costs, including, without limitation, attorney fees and court costs, reasonably incurred in such action.

(e) The decision of the Association to pursue enforcement action in any particular case shall be left to the Board's discretion, subject to the duty to exercise judgment and be reasonable, as provided for in this Declaration, and further restricted in that the Board shall not be arbitrary or capricious in taking enforcement action. A decision of the Association to not pursue enforcement action shall not be construed as a waiver of the Association's right to enforce such provisions at a later time under other circumstances or preclude the Association from enforcing any other covenant, restriction or rule.

Section 8.2 Attorney Fees.

If an Owner fails to pay any Assessment as provided in this Declaration, the Association may require reimbursement for reasonable attorney fees and costs without the necessity of commencing a legal proceeding. If an Owner or an Owner's family member, guest, tenant, invitee or licensee fails to comply with any other provision of the Governing Documents, the Association may seek reimbursement for reasonable attorney fees and costs incurred as a result of such failure to comply, without the necessity of commencing a legal proceeding. In a legal proceeding in any way related to the Governing Documents or the Community, the court shall award to the prevailing party reasonable attorney fees and costs incurred in asserting or defending the claim. Such reasonable attorney fees and costs, if awarded against an Owner shall be charged as an Assessment and shall constitute a lien against the Lot. Attorney fees charged to the Owner shall be further limited by any applicable provisions of Colorado law.

Section 8.3 Severability.

Each of the provisions of this Declaration shall be deemed independent and severable. If any provision of this Declaration or the application thereof to any person or circumstances is held invalid, the invalidity shall not affect other provisions or applications of this Declaration which can be given effect without the invalid provisions or applications.

Section 8.4 Term of Declaration.

The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity.

Section 8.5 Amendment of Declaration by Owners.

Any provision, covenant, condition, restriction or equitable servitude contained in this Declaration may be amended, revised, removed or repealed, and new provisions, covenants, conditions, restrictions or equitable servitudes may be added, at any time and from time to time upon approval of Members holding at least 67% of the total votes in the Association and with the written consent of the Association. Notice of any meeting at which a proposed amendment will be considered shall state the fact of consideration and the subject matter of the proposed amendment. The amendment or repeal shall be effective upon the recordation in the office of the Clerk and Recorder of Mesa County of a certificate setting forth the amendment in full and certifying that the amendment has been approved as set forth above, and containing the written consent and approval of the Association.

Section 8.6 Captions.

All captions and titles used in this Declaration are intended solely for convenience of reference and shall not enlarge, limit or otherwise affect that which is set forth in any paragraph, section or article hereof.

Section 8.7 Interpretation.

The provisions of this Declaration shall be construed to effectuate their purposes of creating a uniform plan for promoting and effectuating the fundamental concepts as set forth in this Declaration. The Board of Directors shall have the authority to interpret the meaning of any provision contained in this Declaration.

Section 8.8 Singular Includes the Plural.

Unless the context otherwise requires, the singular shall include the plural, and the plural shall include the singular, and each gender referral shall be deemed to include the masculine, feminine and neutral.

Section 8.9 Challenge to this Amendment.

All challenges to the validity of this amendment or any future amendments must be made within one year after the date or recording of this document. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity.

Section 8.10 Non-Waiver.

Any forbearance or failure to enforce any provisions of this Declaration shall not operate as a waiver of any such provision or of any other provision of this Declaration or of any subsequent enforcement of such provision.

Section 8.11 Conflict of Provisions.

In case of conflict between this Declaration and the Articles or Bylaws, this Declaration shall control. In the case of conflict between the Articles and Bylaws, the Articles shall control.
